Pilsen Neighbors Community Council and the Illinois Dream Fund

Combine Efforts to Benefit First Generation Immigrant College Students from Illinois

(CHICAGO, Ill.) Pilsen Neighbors Community Council has partnered with the Illinois Dream Fund to raise funds for college scholarships. The two organizations have united behind their mission statements' common goals of ensuring justice and equity for all persons, regardless of citizenship status.

Fiesta del Sol is an annual festival held in Chicago's Pilsen neighborhood. Preceding the event this year will be the sixth annual Recorrido del Sol/Illinois Dream Fund 5K Run/Walk in Burnham Park's Grove 7. Proceeds from registrations will benefit both the Fiesta del Sol Guadalupe A. Reyes Scholarship program and the Illinois Dream Fund, which provide financial assistance to first generation immigrant students from Illinois.

"The Recorrido del Sol was founded to provide scholarships to highly motivated Latino college students from low income backgrounds," says Gardenia Rangel, Co-Chair for Fiesta del Sol. "We are working with the Illinois Dream Fund to offer financial support and alleviate the financial burden many of our students and families face as they follow their dreams of earning a college degree."

Tanya Cabrera, Chair of the Illinois Dream Fund, expands by saying: "We are thankful for our partnership with PNCC and Recorrido del Sol's 6th Annual 5K Walk/Run. This collective effort creates access for undocumented students throughout Illinois to pursue their academic endeavors beyond high school. With a new administration in place it is essential that we come together to support these young scholars and their families with opportunities. This is a celebration of support and resistance to stand with and for our undocumented immigrant community. We look forward to seeing our allies and new faces on Sunday, April 30th!"
